

# 1, 2, 3 – Drain clean!

# Rap'id

## Drain Cleaner

The Rap'id Drain Cleaner is made from 100% biological plastic made from corn starch. That's why this strip is the most environmentally friendly product to unclog your drain.

- ✓ Environmental friendly and chemical-free cleaning
- ✓ No exposure of drains due to chemicals
- ✓ Made in Germany
- ✓ 100% biodegradable
- ✓ Packing in FSC

Insert the Rap'id strip into the drain, and then pull it out gently. Throw the used strip in the bin.
