

We manufacture rubber bands in our own ISO 9001 certified factory. The raw material rubber we use is certified by FSC Forest Stewardship Council.

Approximately 175 individual rubber bands are carefully arranged into a ball for each rubber band to be individually removed from the ball. The rubber bands are in the countries national colours.

Ideal for kitchen, office, workplace, hobby.

Specification of the rubber bands:

Width: 3 mm

Diameter: 51 mm

Thickness: 1,1 mm

Weight / Ball: 100 g

Each ball contains approximately 175 rubber bands

Packaging:

4 rubber band balls in a polybag with colour printed paper inlet.

10 polybags / carton
